### SCHOOL OF ANTHROPOLOGY AND CONSERVATION

School Website: [www.kent.ac.uk/sac](http://www.kent.ac.uk/sac)

Please refer to the online Module Catalogue for full details of all modules:  
[www.kent.ac.uk/courses/modules](http://www.kent.ac.uk/courses/modules)

**Please note: It is ultimately your responsibility to ensure that you are registered for the correct modules for your course.**

You must study 120 credits at both Stage 2 and Stage 3 giving a total of 240 credits over the two Stages. At least 90 credits must be taken at Level 6 during Stage 3 to be eligible for an Honours degree. You must ensure that you choose an even weighting of credits in each term: 60 credits in the Autumn and 60 credits in the Spring. Modules are subject to availability and may not run every year.

#### **A YEAR IN PROFESSIONAL PRACTICE**

Students taking a standard 3 year School of Anthropology and Conservation course are permitted to undertake a Placement Year between stages 2 and 3 of their degrees.

You will take 120 credits in the third year of your undergraduate degree course, and spend a year (the minimum requirement is 24 weeks) working in an industrial or commercial or non-profit creative organisation setting, applying and enhancing the skills and techniques you have developed and studied in Stages 1 and 2 of your degree course.

Students wishing to undertake the Placement Year course are expected to find appropriate placement(s) themselves. However, support will be provided to the student on different aspects of identifying, applying for, securing and preparing for placements by the University's Careers and Employability Service (e.g. CV writing, interview skills).

There are no formal pre-requisite modules for participation in the YPP. However, participation is dependent on maintaining a clean disciplinary record during the degree course up to the time of the placement.

#### **STAGE S – 120 credits**

**You must take the following compulsory module (120 credits):**

<b>Compulsory module:</b>	<b>MODULE TITLE</b>	<b>CREDIT AMOUNT</b>	<b>TERM TAUGHT</b>	<b>CREDIT LEVEL</b>
