

## **KENT LAW SCHOOL**

Head of School: Professor Toni Williams

School Web Site: [www.kent.ac.uk/law/](http://www.kent.ac.uk/law/)

**Please refer to the online Module Catalogue for full details of all modules:**  
[www.kent.ac.uk/courses/modulecatalogue/](http://www.kent.ac.uk/courses/modulecatalogue/)

**Note: It is ultimately your responsibility to ensure that you are registered for the correct modules for your programme.**

You must study 120 Credits at both Stage 2 and Stage 3 giving a total of 240 Credits over the two Stages. At least 90 Credits must be taken at Level 6 during Stage 3 to be eligible for an Honours degree. You must ensure that you choose an even weighting of Credits in each term: 60 Credits in the Autumn and 60 Credits in the Spring. **No Level 4 modules can be taken at Stage 3.**

Please click [here](#) to view the programme rubrics.

### **Qualification as a Solicitor or Barrister in England and Wales**

In order to obtain a Qualifying Law Degree (QLD), students must take **and pass** (i.e. attain a mark of at least 40%) the modules listed below (hereafter referred to as the 'exemption modules');

[LW315/LW325](#) Introduction to Obligations (15 Credits) (Autumn) *Must be taken with [LW316/LW5316](#)*  
[LW316/LW324](#) **OR** [LW5316](#) Foundations of Property (15 Credits) (Spring) *Must be taken with [LW315](#)*  
[LW327](#) English Legal Systems and Skills  
[LW508/LW614](#) Criminal Law (30 Credits) (Year Long) **OR** [LW601](#) Advanced Criminal Law (30 Credits) (Year Long)  
[LW588/LW613](#) Public Law 1 (30 Credits) (Year Long)  
[LW592](#) Public Law 2 (15 Credits) (Spring)  
[LW593](#) European Union Law (15 Credits) (Autumn)  
[LW598](#) Equity and Trusts (15 Credits) (Spring)  
[LW599](#) Land Law (15 Credits) (Autumn)  
[LW650](#) The Law of Contract (15 Credits) (Autumn)  
[LW651](#) The Law of Tort (15 Credits) (Spring)

The Law School will assume that all students will want to obtain a QLD and students will therefore be automatically registered for the modules required for a QLD. Those students who do not wish to obtain a Qualifying Law Degree should contact the Director of Studies [Lisa Dickson](#) to discuss this.

Students who successfully meet these requirements are exempt from the need to undertake the Common Professional Examination and can therefore proceed directly to the Legal Practice Course (for solicitors) or the Bar Professional Training Course (BPTC) (for barristers). Please note however, that students who wish to proceed to the BPTC must obtain an overall degree classification of a 2:II or higher.

The programme offers the opportunity to obtain a Qualifying Law Degree, recognised by the Solicitors Regulation Authority and the Bar Standards Board as satisfying the first (or 'Academic') stage of training required to qualify as a solicitor or barrister in England and Wales. Prospective students should be aware that the Solicitors Regulation Authority and the Bar Standards Board are conducting independent reviews of the legal training and education required to qualify as a solicitor or barrister in England and Wales. These reviews cover the 'Academic Stage' of training and may impact upon the role of the law degree as part of the training process. Please see the website of each regulator for more information [www.sra.org.uk/t4t](http://www.sra.org.uk/t4t) and [www.barstandardsboard.org.uk](http://www.barstandardsboard.org.uk)).

### **Implication of failure in exemption modules**

It is vital that students **PASS ALL** the exemption modules listed above; there may be serious consequences for failing to do so.

### **Prospective Solicitors**

Although University rules governing compensation may permit a student to progress to the next Stage of their degree, or even pass their degree as a whole, the exemption module will still have been failed. As a result, the student will not have obtained a QLD.

However, the Solicitors Regulation Authority (SRA) grants the Board of Examiners the discretion to award a student a QLD (following a decision to compensate a single failure of an exemption module) but only in exceptional circumstances and only if specific criteria are met. Students should contact the Student Advice Office for guidance on the process of submitting concessionary evidence to the Board of Examiners.

### **Prospective Barristers**

The Bar Standards Board (BSB) rules are more complex than those of the SRA, therefore students should contact the Student Advice Office for further guidance.

### **Number of attempts**

The professional bodies allow a maximum of three attempts at an exemption module (one initial attempt followed by a further two attempts). Attempts treated 'as for the first time' do not count for this purpose.

If a student is compensated before being given three attempts in order to allow them to progress, the student can:

- Either sit the module for exemption purposes alongside their programme of study OR
- If they have graduated, as an external candidate at the **first** opportunity after graduating. For example, for a student who graduates with a compensated mark in an exemption module in July 2015, the first available opportunity to sit as an external candidate will be in August 2015.

### **Time limits for Qualifying Law Degrees**

<b>FULL TIME AND SENIOR STATUS STUDENTS</b>	<b>PART TIME STUDENTS</b>
6 years	Began Stage 1 before September 2011 – 8 years
	Began Stage 1 from September 2011 onwards – 6 years

**Note:** Discretion is afforded to the Board of Examiners by the SRA to grant a QLD to a student exceeding the prescribed time limits above, but only in exceptional circumstances and if specific criteria are met. BSB rules differ from those of the SRA and therefore, students seeking qualification as a barrister are advised to contact the Student Advice Office for further guidance.

### **JOINT HONOURS LAW STUDENTS**

Students undertaking a Joint Honours Law degree who take and pass the exemption modules and undertake the additional legal study required will obtain a Qualifying Law Degree. These students will be similarly exempt from the Common Professional Examination and can proceed directly to the Legal Practice Course or the Bar Professional Training Course.

### **Non-Qualifying Law Degree students**

Students who have not taken all of the exemption modules or, who have otherwise failed to obtain a QLD, may be able to complete the academic training by undertaking the Common Professional Examination (CPE) or Graduate Diploma in Law (GDL) at another institution, as the University of Kent does not offer these programmes. These students should consult the Director of Studies, [Lisa Dickson](#).

### **The Law and Economics Programme**

Students on this programme must take **30 Credits of extra-curricular Law** in order to obtain a QLD. The University's regulations allow a student to take 30 extra-curricular Credits in each Stage however; these modules will not count towards the final degree classification (though they will appear on the transcript). Students must discuss this with their Academic Advisor and decide which modules will be extra-curricular before they are studied. Modules cannot be switched subject to results.

### **'Wild Modules'**

Students are encouraged to consider taking **Wild** modules from other schools in Social Sciences and Humanities during Stages 2 & 3. **Wild** modules offer an opportunity to broaden your educational experience, to demonstrate intellectual curiosity and to study subjects that may contribute to your career development. In many programmes up to 60 Credits may be obtained from **Wild** modules (a maximum of 30 Credits in each Stage) while still providing a professionally qualifying LLB. You are encouraged to discuss any interest in or questions about **Wild** modules with the Director of Studies [Lisa Dickson](#).

## Quotas

It is normally possible for Law students to select their modules without restriction at Registration in Spring. Information will be available nearer the time, particularly with regard to modules where available teaching resources mean that places will be subject to Random Allocation.

[LW543 Clinical Option: Legal Process and Public Legal Services](#) has a **quota and a ballot system is used to allocate students to this module**. A number of other modules will be subject to quotas to ensure that teaching can be resourced.

## Teaching Pattern

Unless otherwise indicated in the entry for particular modules, in a 30 Credit module there will normally be ten teaching weeks, one reading week and one writing week in both the Autumn and Spring terms. For 15 Credit modules the pattern will be similar for the appropriate term.

## Coursework

The composition of the coursework element and its percentage of the final mark are specified for most modules.

## Moots

In some modules, moots may be substituted for assessments. Consult the module convenor or the Director of Mooting [Per Laleng](#) for further information.

## Dissertations

It is possible to undertake an optional dissertation in some Law modules (see subject entry).

## QUALIFICATION AS A LAWYER IN OTHER JURISDICTIONS

Students who wish to practise in other countries should check the requirements for those jurisdictions and if you have any further questions, only then should you consult the Director of Studies for International Studies, [Lisa Dickson](#).

More information about the requirements for a QLD is available in the Law Student Guide on Moodle.

## Notes

- An average of 60% in stage 1 is a pre-requisite to entry to the year abroad. The Director of the programme will consider applications for entry to the year abroad from students who do not achieve the required average if:
  - There is documented evidence of exceptional circumstances which have interfered with the student's academic performance in stage 1, and or
  - In order to contribute to widening participation in Higher Education, the student meets one of more of the contextual indicators required for entry to the Certificate in Law programme.
- A pass in LW539 Droit Civil is a prerequisite for entry to Stage A of the degree.
- Students should note that some of the above-named modules may not be available in any given year and that there may be timetable clashes. Certificate/Diploma students should note that they may have an extremely limited choice of options.
- Students who reach the required standard during the year abroad will be awarded the Certificate/Diploma in French Law by the host institution (Aix-Marseille Université, Bordeaux and Grenoble only).

Further details are available from the Director of the English and French Law programme, [Dr Simone Glanert](#).

### STAGE A – 120 Credits

This Stage will be spent at one of the law departments or faculties of the following Universities: Bergen, Copenhagen, Grenoble, Groningen, Maastricht, Charles University Prague, Turku, Uppsala or Vienna. Students accumulate 60 ECTS (European Credit Transfer System) Credits, equivalent to 120 Kent Credits, from modules the majority of which should be law modules. Modules are to be chosen in consultation with the Director of Studies for European Legal Studies, [Martin Hedemann-Robinson](#).

There are usually a limited number of places available to study at one of the designated host continental European partner-universities during the year abroad. Places are allocated normally on the following basis: (1) students submit their preferred short list of host partner universities to the Erasmus Placements Team, International Development Office, The Registry, University of Kent during the early part of the Autumn term of Stage 2; (2) places for each host partner university are then normally allocated by the Director of ELS according to individual student preference in so far as possible. However, where demand for a partner university exceeds the number of places available, the allocation will in principle be determined usually on the basis of academic performance of individual students during Stage 1 of the degree programme. Exceptionally though, a place may be allocated to a student by the Director of ELS if there are particularly strong academic-related or personal reasons for this to be done (eg. a student wishes to study the language of the country of a particular host partner university during Stage 1 and/or 2).

The year abroad is assessed on a pass/fail basis.

Compulsory module:	MODULE TITLE	CREDIT AMOUNT	TERM TAUGHT	CREDIT LEVEL	Office Use Only
LW700	Law Year Abroad	120	Year Long	Level 6	LAWS7000

### European Credit Transfer System

In accordance with the European Credit Transfer System, students on these exchanges will be expected to have completed a learning agreement by the end of the Spring term of Stage 2. The learning agreement will contain

an indicative list of the subject choices of students, and will be forwarded to the host university via the International Development Office. Information on the range of subjects offered will be available from the Director of the ELS programme.

## INTERNATIONAL LEGAL STUDIES (with stated year abroad destination)

INTLEGALSTUD-A:LLB

### Single Honours

The degree International Legal Studies is a four-year programme offered in co-operation with partners in China, Hong Kong and Canada. Students from the University of Kent registering for this degree will spend the first two years and the final year (Stages 1,2 and 3) of the degree programme at Kent and the third year (Stage A) at their partner institution.

Students choosing to go to the partner institution in China will be offered the opportunity to study Mandarin Chinese classes. For students opting to take this extra-curricular course, attendance is mandatory.

In order to progress to the year abroad students must achieve an average of 55% in Stage 1 and 60% in Stage 2. The Director of Studies for Law will consider applications for entry to the year abroad from students who do not achieve the required average if:

- there is documented evidence of exceptional circumstances which have interfered with the student's academic performance in Stage 1, and/or
- in order to contribute to widening participation in Higher Education, the student meets one or more of the contextual indicators required for entry to the Certificate in Law programme (for more information about contextual indicators, refer to: <https://www.kent.ac.uk/courses/undergraduate/229/certificate-in-law#!entry>)

Students should be aware that due to the entry requirements prescribed by some of our partner institutions, for example Osgoode Hall and Hong Kong University, a year abroad at these institutions will not be possible without an average of 60% in Stage 1 and 2.

Students who are not eligible for the year abroad will be able to transfer to another programme; normally the single honours LLB Law.
