

Kent Fraud Alert System

TO STOP FRAUD™

Rogue Traders

Fraudsters never miss an opportunity and the storm on Friday is just one of them. So, beware of cold callers offering to carry out repairs. Below I have listed the guidelines again on how to protect yourself.

- Ask for identification and call their company yourself (not on a number they provide) to check they are genuine.
- Ask the visitor to return another time when someone can be with you.
- Get three written quotes.
- Ask family and friends for recommendations.
- Agree payment arrangements and start and finish dates in writing beforehand, and never pay in full until you're completely satisfied with the work.
