

# University of Kent

## Prevent Steering Group

### Terms of Reference and Membership 2019/20

The University of Kent's Prevent Steering Group is responsible for overseeing the University's response to its obligations under the 2015 Counter Terrorism and Security Act. It will exchange information and meet as necessary, in particular to approve the terms of assessments and reports required by OfS and other relevant bodies.

The Prevent Steering Group full membership is as follows. In general, however, attendance at meetings will be required only from those members most concerned with the issues under discussion. Members can also send deputies if they are unable to attend. The Prevent Steering Group will meet two-three times during an Academic year, with an option to meet or discuss via email correspondence on an ad-hoc basis as and when needed.
